

Gertrude Walker Family,

I am sure you have many questions about what school will look like for your child for the remainder of the year. Please be assured that your child's teacher and the district are working to find ways for your child to have continuous learning. Please check the Facebook page and our building website daily for updates. To find our webpage, go to gckschools.com and then click on schools.

Starting Monday, your child's teacher will attempt to make contact with you. They have a short survey that they need to ask you to help us in moving forward. They also want to check to see that you and your child(ren) are okay. If you have changed your phone number or email this year, please call the office so that we can get those updates made as it is imperative that we are able to communicate with you.

What you can expect this week:

**Daily lunches and breakfasts for any child 18 and under from 10:30-12:30

**A Phone call from your child's teacher

We know that there are many obstacles to overcome, but Gertrude Walker Dolphins are resilient, and our staff will do everything in their power to help you and your family get through this difficult time.

Stay safe,
Mrs. Hollingsworth
